Be flexible about the size of your square. Every attempt will be made to accommodate your requested square size but due to the number of sponsors and artists requesting the same size square, your requested size may not be available.

Liquid Tempera is washable, water soluble and environmentally friendly. If you have not worked in this medium, practice is suggested. Stick chalk is standard sidewalk chalk. You may use your own brushes but no outside medium is allowed.

DO NOT USE FIXATIVES OR ANY PRODUCT OTHER THAN THE CHALK PROVIDED ON THE PAVEMENT.

There is no theme for **Chalk For Charity**. **Only your imagination limits your creativity.**

Make sure all work is suitable for family viewing.

People's Choice Award (1st, 2nd, and 3rd place) - there will be a plastic container at your square site with the sponsor's name and number on it. You are encouraged to decorate the container to draw attention to it. At the end of the day, please put your votes in the container and return them to the registration table.

The name of your sponsor must be put at the top of your square just outside the actual square. Your name may be placed in or outside the work as desired by the sponsor.

Professional Award – there will be a single award judged by a member of the art community.

Please return all chalk to the registration table.

Chalk For Charity is a volunteer effort coordinated by the Knights of Columbus Council 2505 and the Lakeland Citizens Police Academy Alumni Association. All sponsorship donations are tax deductible.
